

Maunalua Bay Recreation Advisory Committee Informational Meeting

In response to community concerns regarding user conflict and levels of commercial activity within Maunalua Bay, and pursuant to Hawaii Administrative Rules § 13-256-4, DOBOR is forming a Recreation Advisory Committee (RAC) to assist in the establishment and implementation of rules and guidelines for ocean recreation in Maunalua Bay.

The RAC will consist of 5 members who will represent the viewpoints of various user groups in Maunalua Bay. The user groups represented will be Surf (including SUP and board), Fishing (all types), Paddling (individual and club), Thrill craft (commercial), and dive (commercial).

Please attend our first informational meeting for more information on the role of the RAC and how to be involved in the selection of RAC members.
